Minor Child Consent to Treat

I give my permission for my child to be medically evaluated and treated at Valley Professionals Community Health Center in my absence. In addition, I give permission for the provider to share any relevant health information with the person accompanying my child. My child will be accompanied by:

___ himself/herself (only if 16 years of age or older)

___ relative/family member

Name: _____ Relationship: _____

___ other

Name: _____ Relationship: _____

If I am unable to bring my child for treatment at Valley Professionals Community Health Center, the individuals listed above may bring in my child for treatment which may include:

- physical examinations including screenings such as vision and blood pressure
- immunizations
- blood and/or urine tests
- first aid and emergency care
- prescription and treatment for illness
- referrals to an outside facility for services not provided in office (i.e., radiology, specialty)

I understand that this consent is only available for one year from the date of signature. If changes are needed to be made to the list at any time during the year, it will be necessary to complete a new form.

Parent's signature: _____ Date: _____

** Any person bringing a child in for treatment must bring in a picture ID (driver's license, state ID) so that we may keep a copy in the child's file.

Health History

Valley Professionals Community Health Center (VPCHC) uses a team-based approach to healthcare that works at improving primary care by providing comprehensive and continuous medical care. Our comprehensive care covers prevention and wellness, acute and chronic care as well as behavioral health. In order to provide the best patient care possible, it is essential that the information below be provided to ensure your personal provider and healthcare team understand your specific health concerns/needs. Each patient's personal provider and care team works to support the patient in learning to manage and organize their own care. In addition, the care team coordinates patient care with specialty groups, hospitals, home health and community services to ensure continuous, uninterrupted care.

Insured's Employer: _____

Sliding Fee Scale

The sliding fee scale is available to assist those patients that have no insurance or are under insured by offering our services at a discounted rate. Patients are required to apply for the sliding fee scale on a yearly basis. In order to qualify for the sliding fee scale at VPCHC, patients and their families must have a combined income that falls within the U.S. Federal Poverty Guidelines. The determination of qualification is based on the number of members in the household and the following information:

- Most recent tax filing with the IRS and/or W2's from employer(s).
- A copy of Social Security or Disability Award letter(s) or unemployment statement(s).
- Pay stubs from all employers for the last 30-day period.
- If unemployed, no income and living with others, we require a signed and dated letter from the person providing support of the patient.
- Driver's license or state ID card.
- Any other income that is direct deposited.

Upon request, a sliding fee scale application will be provided and should be returned with the information above within 10 days of the appointment. Otherwise, patient will be responsible for the full amount of charges.
