Sliding Fee Scale

The sliding fee scale is available to assist those patients that have no insurance or are under insured by offering our services at a discounted rate. Patients are required to apply for the sliding fee scale on a yearly basis. In order to qualify for the sliding fee scale at VPCHC, patients and their families must have a combined income that falls within the U.S. Federal Poverty Guidelines. The determination of qualification is based on the number of members in the household and the following information:

- Most recent tax filing with the IRS and/or W2's from employer(s).
- A copy of Social Security or Disability Award letter(s) or unemployment statement(s).
- Pay stubs from all employers for the last 30-day period.
- If unemployed, no income and living with others, we require a signed and dated letter from the person providing support of the patient.
- Driver's license or state ID card.
- Any other income that is direct deposited.

Upon request, a sliding fee scale application will be provided and should be returned with the information above within 10 days of the appointment. Otherwise, patient will be responsible for the full amount of charges.
